LUNCH ORDER PROCEDURES

Lunch can be ordered from the Canteen on Monday, Wednesday and Friday.

On the outside of a clean paper lunch bag, clearly print your child's name and grade, followed by the lunch order, prices of items and amount of money enclosed.

Wrap money in glad wrap or foil (to prevent money loss) and place in the bag. Correct money would be appreciated, however if change is required, it will be put back in the child's bag. Please note that the Canteen keeps a record of the amount of change that is given back.

If having the correct money is a problem, you may put money for more than one

child in the same bag, as long as each child has their own separate order on a bag. Please indicate which bag contains the money and who the payment is for.

If you do not have a paper lunch bag, please write your order on an envelope and add an **extra .10c** to cover the cost of a lunch bag.

If your order does not contain the correct money, snack items will be deducted to match the cost of the order, or a note requesting short money will be sent home. Please reimburse the Canteen on the next Canteen day.

Please remind your children that  they have a lunch order

they need to put the lunch order in the class tub first thing in the morning (*late orders are very hard to fill*)

 if they are missing something from their order to tell their teacher straight away.

 If you have a vinyl Lunch Order Bag, please ensure that it is washed and cleaned on a regular basis. For hygiene and safety reasons, food will only be put into clean bags.
